

## GOVERNOR (1977-1984 : MATHESON) [446]

### STATE AGENCY CORRESPONDENCE, 1976-1985.

38 cu. ft. and pending microfilm reels

**DESCRIPTION:** This series contains correspondence, publications, and reports pertaining to state agencies that passed through the Governor's office. Correspondence was created by the various agencies, the Governor and his staff, and others, including citizens of Utah. This series contains correspondence, a small number of photographs and other related items. The papers reflect many of the policies of the governor's office and his stances on many critical issues during his terms in office. Specific topics that appear frequently in this series include the continued growth of equal opportunity and fair employment practices in Utah, the governor's position on MX missile basing in the state, education reform, alcoholism and drug abuse, natural resources, transportation, state efforts to acquire Antelope Island, and the continued efforts of state officials to develop Utah as a viable tourist and travel destination.

**ARRANGEMENT:** This series is arranged alphabetically by subject, thereunder chronologically by date.

**RELATED RECORDS:** For additional records related to the administration of Governor Matheson, see series 13697, ADMINISTRATIVE RECORDS. For information regarding county issues consult series 19269, COUNTY CORRESPONDENCE, while interstate issues can be located in series 19268, STATE CORRESPONDENCE. Regarding Antelope Island consult series 01247, GREAT SALT LAKE AUTHORITY and series 23433, GREAT SALT LAKE STATE PARK RECORDS. For further information regarding MX missile basing in Utah consult records created by the MX COORDINATION OFFICE as well as series 01646, MX MISSILE RECORDS.

**PROCESSING NOTE:** This series was processed by James Kichas, between December

2002 and February 2003.

**PREFERRED CITATION:** Cite the Utah State Archives and Records Service, the creating agency name, the series title, and the series number.
